technology on our contemporary societies how did society change so rapidly i aim to transport readers into a thought provoking realm igniting intellectual discussions as a relatively unknown artist and writer in the independent hip hop sphere i conceived this literary work in toronto canada at the same time navigating the release and distribution of my first two studio albums and published books i experimented utilizing unconventional promotional platforms such as a myspace page and popular dating apps to attract new followers on facebook and instagram that unique approach enabled me to connect with diverse global audiences passionately consuming my music rumors began to circulate about an african dude from the united states promoting his rap songs that contain vulgarities and streetwise lyrics some made comparisons to tupac and biggie the songs were compositions inspired by my experiences during two civil wars and a period as a refugee capturing emotions from events long before my relocation to toronto it became necessary to reveal my intellectual thoughts on various topics those who spread the rumors needed clarifications so my next course of action was to launch an opinion blog called the freddy will blog to engage the public blogging became the preferred platform for ambitious authors in the late 2000s this book takes the reader back to when i published articles on my blogs amassing a significant amount of content and following the thought of losing all the material i had published over the years became possible and i yearned to share the message with a broader audience furthermore with the emergence of live streaming podcasts on youtube i noticed the topics i wrote about gaining widespread popularity sparking a revolution radical feminism men going their own way and the manosphere were emerging discourses as black lives matter and other polarizing dialogs including the lgbtqia and celebrity gossip as that expanded for creators i stayed true to my literary roots while many created stunning videos mine was solely in the written format 2016 upon my departure from canada to great britain and belgium i compiled those 2008 to 2012 entries and published the first volume of the journal now reissued as brazenitout
